Dear Friends,

For some time I have been contemplating publishing a book of stories and anecdotes about Baba Muktananda from his devotees. The inspiration for this project came to me many years ago after reading the beautiful book, *Miracle of Love — Stories About Neem Karoli Baba*, compiled by Ram Dass.

Over the years I have heard many beautiful and inspiring stories about our beloved Baba. If you wish to participate in this project please think back to your time with Baba. If you remember some interesting stories that others may enjoy reading, write them down. If writing is not for you, you can record the stories in audio or video format and send them to me.

If you choose to participate please:

- Include written permission to publish your story
- Be sure to include the approximate dates and location of your story's setting
- Feel free to include any non-copyrighted photos that you would like to share

Edits may be necessary for grammar and length.

I hope you will participate and share your experiences with us. Please share this letter with anyone you think may be interested in participating.

With great respect and love,

Swami Prakashananda
