

# Happy Birthday BABA!

An early photo of Baba

Jai Gurudev!

Dear Friends,

Greetings and good wishes to you all on the 109th birth anniversary of Baba Muktananda. (Lunar date is May 10th, solar date is on May 16th.)

The birth of such beings as our Baba is indeed rare. Although their presence bless those who have the good fortune of spending time with them, they also bless those who have never even met them in person. Even today Baba's divine shakti continues to influence and guide those who remember him with great love.

It is their mission to reveal that divinity which lies within all hearts. That is why we celebrate Baba's birthday with such great love and appreciation. Appreciation for all the blessings we have received from him, and continue to receive. Baba once said :

*"If you understand your own true nature you will know that you are God. But even if you don't understand your own true nature, you are still God. Never forget this."*

May everyone understand their own true nature!

*Sadgurunath Maharaj ki Jai!  
Paramgurudev Nityanandaya!  
Sadgurudev Muktanandaya!*

With great respect and love,  
Swami Prakashananda
