

Happy Birthday BABA!

Jai Gurudev!

Dear Friends,

Greetings and good wishes to you all on the 110th solar birth anniversary (5/16/2018) of Baba Muktananda. (The Lunar date this year fell on April 29th)

On this auspicious occasion we remember Baba with great love and gratitude for all the blessings we received from him. His birth not only brought liberation for him, but also the experience of the inner Self to countless others. A gift which cannot be repaid.

Baba once said of his Guru, Bhagawan Nityananda:

"Bhagawan Nityananda is my dear beloved, my highest Guru. What else can I say? He is my beloved Guru. Once you say 'beloved,' that's it. There isn't any other word to describe him. He was a great Guru, a great being. You can understand it this way: it was God's supreme energy manifesting in that form as a Guru."

In the same way, Baba is our dear beloved. There are no other words to describe him.

*Sadgurunath Maharaj ki Jai!
Paramgurudev Nityanandaya!
Sadgurudev Muktanandaya!*

With great respect and love,

Swami Prakashananda
